**Ring wants to help reduce crime and increase safety in Manatee County.**

Ring is excited to propose a solution to the Manatee County Sheriff's Office to help reduce crime and assist with investigations in your community.

**Program Description**

This program will provide the Manatee County Sheriff's Office access to the Ring Neighborhoods platform to communicate with Ring Neighbors, view Neighbor supplied video, determine general camera density/location and encourage community engagement as we work together to make Manatee County neighborhoods safer.

- The Ring Neighborhoods platform is a digital neighborhood watch that both law enforcement and the public can access free of charge by downloading the Ring mobile app (iOS and Android).
- The app allows Ring Neighbors to share and comment on real time crime and safety events in their neighborhood.
- As part of the program, Manatee County Sheriff's Office may:
  - Utilize the critical crime and safety events that are posted in the app by neighbors to assist in law enforcement operations and investigations; and
  - Post information relating to critical incidents and other incidents in the app to keep neighbors informed regarding issues in their neighborhoods.

**About Ring**

Ring is on a mission to reduce crime in neighborhoods. With a Ring Video Doorbell at your door and Security Cameras around the home, you can create a Ring of Security around your entire property and stop crime in its tracks.

Ring Video Doorbells and Security Cameras send you instant alerts on your phone, tablet and PC whenever motion is detected. Answer the alert, and you can see, hear and speak to people on your property from anywhere. If you catch something suspicious, Ring Neighborhoods also lets you share the videos with neighbors and local law enforcement, so you can all work together to reduce local crime.
